

AANIN EZHIWEBAK AGWAJIING?

(How is it outside?)

1. Introduction page: Boozhoo! Aanin ezhiwebak agwajiing?
(Hello! How is it outside?)
2. Click on one of the four game pieces to be used in the game.
3. Roll the dice by clicking on the arrow.
4. After your game piece has moved forward the number of spaces rolled on the dice, click the green question card.
5. Using the image and audio clues, click the word on the right that best describes the weather.
6. If the correct answer is selected, the player banks the amount of money shown on the space where they landed. If a wrong answer is selected, nothing is added to the bank. Landing on a red X square, they lose all the money in the bank. Landing on a green x2 square will double the amount in the bank.
